

SPONSORSHIPS

12TH ANNUAL March 11, 2017 Shoreline Park

Show your support for the Gulf Breeze community as a sponsor for the Gulf Breeze Rotary "world famous" Gumbo Cook-off.

All proceeds from this event benefit the Gulf Breeze Rotary Foundation which awards scholarships for students who might not otherwise be able to attend college. Because of contributions like yours, nearly \$650,000 in scholarships has been awarded to students from Gulf Breeze. In 2016, more than 1,200 visitors sampled some of the best gumbo in the area prepared by both professional and amateur chefs from more than 20 teams.
